Effortless business for all!

Foreigners

- E Visa

Foreign investors

- Building assets in the US
- Source of diversification

Local investors

- Stable business revenue
- Source of diversification

Drivers of the Business Model

- 🏠 The ATM market in the US is not restricted to Banks and is open to private investors
- 🏠 Americans traditionally pay a lot in cash
- 🏠 Most Americans are paid weekly or bi-weekly and therefore withdraw cash more often
- 🏠 Americans are ready to pay fees “on location” to get cash immediately

Key Market Facts

Up to 5% of Americans passing by an ATM will use it

Indoor and free standing ATMs are more used than drive-through ATMs

50% of adult Americans use ATMs on a regular basis

40% of regular ATM users visit an ATM around 10 times a month

The average ATM withdrawal is \$60.00

Summary

Real Estate or regular businesses are inflexible assets; you have to find the good investment by yourself, on a big market, with local or national fluctuations.

ATMs are flexible assets; ATM CLUB will find the locations for you and may or relocate 1 of your 10 machines to optimize your investment.
